

**\*\* There is limited space available for these sessions and RSVP is required**

## MONDAY, OCTOBER 24

**9:30 – 11:30 AM**

### **Epsilon Sigma Phi (ESP) Brunch & Meeting**

Members of the Extension Professionals' Organization are invited to join a brunch meeting located at the Larimer County Extension Office, 1525 Blue Spruce Dr, Fort Collins

**10:30 AM – 12:30 PM**

### **Registration-Information Desk Open**

Stop at the Forum registration desk outside of the Lory Student Center Ballroom entrance to pick up your name tag and day-of information. IT team members will staff the information desk throughout the week.

### **Head Shot Photos (Optional) | Check in at registration desk**

Needing a professional head shot? Time to update an old photo? Free photographs will be offered in the Lory Student Center for all OEE employees.

**11:00 AM – 12:00 PM**

### **Forum First Timers Session | LSC 312**

Welcome to your first OEE Fall Forum Event! The Forum First Timers session will cover what newcomers can expect at their first Forum, the different types of sessions available, and how to get the most out of your time at the event.

**12:00 – 2:00 PM**

### **Lunch & Welcome Kick-Off Session with Chancellor Frank, Interim President Miranda & Interim Vice President Rennels | Lory Student Center (LSC) Ballroom BCD**

Join CSU Chancellor Tony Frank, Interim President Rick Miranda, and Interim VP Kathay Rennels for a fireside chat honoring the legacy and role of Engagement and Extension in Colorado. The discussion will also highlight current initiatives and a look at what's to come for CSU OEE.

**12:00-3:30**

### **Poster set up | Stadium Club, 4th Floor Canvas Stadium**

Extension interns are invited to set up posters during the afternoon.

**2:45 – 4:00 PM**

### **Get to Know Our Enterprise & Accelerant Teams | LSC Ballroom BCD**

You've communicated with them through email. You've seen them on video calls. Now is your chance to meet them in-person! We have some new faces on our shared services and statewide teams and this is your chance to connect with them face-to-face. This is an informal event designed to help build connections across our teams, get your questions answered, and win some prizes along the way.

**2:45 – 4:00 PM**

### **DEI Affinity Group Discussion | LSC 322**

Affinity groups are formed around a shared identity to build community among members of non-dominant groups. The goal of this time is to provide space for individuals in our OEE team to meet and self-organize. Attend this loosely facilitated session if this is support you are seeking in OEE.

**4:00 – 6:00 PM**

### **Extension Intern Poster Session | Stadium Club, 4th Floor Canvas Stadium**

All are invited to join in the celebration of the work of 79 undergraduate and graduate students who conducted applied research across the state as part of CSU's Extension Internship Program. This is an opportunity to learn more about research needs and opportunities throughout the state, while providing the chance to meet many of our incredible faculty and staff from across Colorado and identify new ways to work together in engaged scholarship and research. [Refreshments provided, cash bar](#)

**\*\* There is limited space available for these sessions and RSVP is required**

## TUESDAY, OCTOBER 25

**8:00 – 9:45AM**

### **Breakfast | Extension and Online 101 | LSC Ballroom CD**

Have you ever wondered what an Extension Agent does on a day-to-day basis? What about how new online degrees or certificates are developed? This session is designed to help us get a more complete picture of the work performed by our colleagues in OEE so that we can connect in new ways to create impact in Colorado and beyond.

**Choose a session that most interests you:**

**10:00 AM – 12:00 PM**

### **Issue Summit - Get to Know CSU Spur | LSC Ballroom D**

Learn more about the SPUR campus and how to engage these resources in your communities and on campus

**10:15 – 11:45 AM**

### **Powerhouse Energy Campus Tour\*\* | (Off Campus)**

Completed in 2014, the CSU Powerhouse Energy Campus is located near the heart of Old Town and serves as the headquarters of the Energy Institute. The Powerhouse Energy Campus is an incredible facility that conducts research and development across a wide-range of disciplines on a host of energy and climate solution topics. The facility also is home to the Engines and Energy Conversion lab (with large engines that are quite impressive), cookstove research, large-scale thermal energy labs, hydrogen fueling and electric vehicle labs, a rapid prototyping lab and so much more!

**10:00 – 11:45AM**

### **Role of Emotional Intelligence in Leadership\*\* | LSC 322**

Emotional intelligence is the “something” in each of us that is a bit intangible. It affects how we manage behavior, navigate social complexities, and make personal decisions that achieve positive results. Come explore the role and importance of emotional intelligence in leadership.

**12:00 – 1:30 PM**

### **Recognition and Lunch | LSC Ballroom CD**

All are invited to join for lunch, networking and recognition of our OEE colleagues.

**Choose a session that most interests you:**

**1:30 – 3:00 PM**

### **Issue Summit - Collaboration Campuses & Accessible Education | LSC Ballroom D**

Explore the Collaboration Campus model and how it can make a meaningful impact on providing accessible education to your communities. It's a partnership with the community, for the community that demonstrates the heart of our land-grant commitment to access.

**1:30 – 3:00 PM**

### **Diversity, Equity & Inclusion: Language Access | LSC 312**

Learn about new language access policies, resources, and practical tips for working with interpreters, translators, and participants with limited English proficiency (LEP).

**2:00 – 3:00 PM**

### **Gregory Allicar Museum of Art Tour\*\* | (Off Campus)**

Step inside the Gregory Allicar Museum of Art With a growing and diverse collection of more than 5,000 works of art and dynamic programming, the Gregory Allicar Museum of Art is a cornerstone of Colorado State University's arts initiatives and a link to alumni, Fort Collins, and our region. The museum is dedicated to educational vitality, embracing all audiences, and to honoring a diversity of art making across time periods, geographies, and cultures. Unique to this tour is the opportunity to go inside the vault which is not open to the public!

**2:00 – 3:30 PM**

### **Mystery of CSU Tour\*\* | Student Services Building**

What are the mysteries of CSU's history? Join us as we learn the history of how CSU began. Tour inside some of the oldest buildings on campus and discover what our historic buildings have been home to over the years. Find out which buildings have ghost stories, myths and legends – maybe you have stories of your own to share. Learn some of the theories as to why CSU's oldest building burned down in 1870 and where the remains have been placed. Discover the mysteries that have attributed to CSU's history on this 1.5 hour tour.

**Continued on next page**

**\*\* There is limited space available for these sessions and RSVP is required**

## TUESDAY (CONTINUED)

Choose a session that most interests you:

**3:00 – 4:00 PM**

### **Sharepoint Overview | LSC 322**

Members of the OEE IT team will share an overview and answer questions on Sharepoint sites and file systems. Designed at the request of administrative support staff

**3:00 – 5:00 PM**

### **Learner Front Door Project Overview | LSC Ballroom D**

Join in this conversation to learn more about this project designed to expand learner and user access to our resources and offerings. This project will redesign the learner journey to create an industry-leading experience that opens the door to CSU resources in support of lifelong learning. Two identical sessions are offered for scheduling convenience

**3:00 – 5:00 PM**

### **Healthy Aging Affinity Group | LSC 324**

Join this conversation to learn more about the diverse initiatives being implemented by Extension offices across the state that support aging well and how we are measuring our impact, disseminating our work and expanding partnership opportunities for current and future projects.

**3:00 – 5:00 PM**

### **PRU: Natural Resources | LSC 312**

The Natural Resources (NR) PRU addresses ecosystem sustainability and related emergency management including but not limited to natural systems such as ponds/streams, forests, minerals, watershed, wildlife, and outdoor recreation areas. Small acreage management fits well into this PRU as well as Native Plant Master and potentially Naturalist programming. Native and weed plant id and management, pond management, wildlife interactions, soil conservation and native tree health and seedling conversation are also common topics within this PRU. Naturally there is some overlap with Livestock and Range, Horticulture and Community Development which opens the possibility of collaborating.

**4:00 – 5:00 PM**

### **Nutrien Agricultural Building Tour\*\***

Get an inside look at the Bernard Rollin Knowledge Well – a 160 capacity classroom in the round -, the Trading and Simulation room that lets students use real-time market data and trading analysis to learn about commodities, economic returns and risk management and the Ed Pexton Student Success Suite. As the tour reaches the third floor, science is on full display throughout the three teaching labs that host soil science, plant pathology and entomology. The story of agriculture and inclusions is woven throughout the entire building as you learn about food safety, food security, wellness and economic prosperity through the sustainable use of natural resources.

**4:30 – 7:30 PM**

### **Happy Hour at Ram Skellar**

Unwind with colleagues and friends after our first full day of Forum

**5:00 – 6:30 PM**

### **CEA4-HA Association Meeting and Dinner at ARDEC**

\*\* There is limited space available for these sessions and RSVP is required

## WEDNESDAY, OCTOBER 26

**7:30 – 10:00 AM**      **Breakfast Buffet Available | Ballroom C**

**8:00 – 9:45 AM**

**Educate, Create, and Connect - Extension Faculty | LSC 312**

The purpose of this session is to transform the language of faculty status--educate, create, and connect into tangible strategies for product design, development, and launch for learners of all ages and stages. Come and explore opportunities, ask questions, and learn about the possibilities of what it means to be faculty at Colorado State University in Extension. There will be opportunity to co-create engagement experiences with colleagues from across Extension and the colleges at Colorado State University. Grab your post-it notes and get ready to be curious together.

**8:00 – 9:30 AM**

**Administrative Support Staff Networking Breakfast | LSC 324**

Team members who serve in an administrative support role in OEE (county and campus based administrative/program assistants) are invited to get to know each other over breakfast.

**Choose a session that most interests you:**

**9:00 – 11:00 AM**

**Introduction to Strengths\*\* | LSC 322**

Based on decades of research conducted by the Gallup Organization, a strengths-based focus can enhance an individual's ability to deliver optimal performance. This training will use the results of the CliftonStrengths assessment to teach the three components of strengths development. Pre-work required, please see Learner Notes upon registration.

**10:00 AM – 12:00 PM**

**Issue Summit - Thriving Economies & Vibrant Communities through Food Systems | LSC Ballroom D**

This session highlights current campus and field partnerships related to food and vibrant communities and thriving economies. In this session you will hear examples of initiatives that have successfully engaged students with Extension, and will leave time to network and let attendees explore how they can "plug in" to these initiatives or create new partnerships in this space.

**10:00 – 11:45 AM**

**Service Learning Opportunity - North Colorado Health Alliance\*\* | LSC 312**

Join the OEE Business Services team in assembling hygiene kits for the North Colorado Health Alliance. Kits will be distributed to local groups supporting people experiencing homelessness and other under-resourced individuals. The North Colorado Health Alliance convenes partners and co-workers in education, community service, health care, business, faith-based organizations, and government.

**10:00 AM – 11:00 PM**

**Canva Overview | LSC 324**

Members of the OEE Marketing & Communications team will share tips for using Canva to create documents. [Designed at the request of administrative support staff](#)

**12:00 PM – 1:30 PM**

**Recognition and Lunch | LSC Ballroom CD**

All are invited to join for lunch, networking and recognition of our OEE colleagues.

**Continued on next page**

\*\* There is limited space available for these sessions and RSVP is required

## WEDNESDAY (CONTINUED)

Choose a session that most interests you:

1:30 – 3:00 PM

### Issue Summit - Health and Well-being | LSC Ballroom D

Cooperative Extension recently released a national framework that advances health equity as a core value and advocates for addressing the social determinants that lead to health inequalities. But, practically speaking, what does it mean to conduct our work with a lens toward health equity? We will hear from Extension professionals, and explore our own practices and paradigms, as we consider how we might collectively contribute to an evolving health and well-being framework that takes into account social conditions as well as health behaviors of those individuals and communities with whom we work.

1:30 - 3:00 PM

### DEI: Preparing for NIFA Civil Rights Review Site Visits | LSC 312

Overview of potential questions and preferred responses for Extension's upcoming Civil Rights Review interviews.

1:30 - 3:00 PM

### Grants 101: OEE Grants Process | LSC 322

Open to those who are interested in learning more about how the OEE Grants Team can support their work. Session will include an overview of the grant pre-award (proposal) & post-award functions and will be aimed at those new to OEE and/or the overall grant management process.

1:30 – 3:00 PM

### Native Plant Master Program | Morgan Library 203

Planning meeting for those who work with the Native Plant Master Program

1:30 – 3:00 PM

### Service Learning Opportunity - Animal Friends Alliance\*\* | LSC 324

Join the OEE Marketing and Communications team in making enrichment toys for dogs and cats housed at Animal Friends Alliance. Animal Friends Alliance is a local organization that not only shelters dogs and cats but also provides the community with resources and programs that aims to keep pets in homes. This project is a no-sew activity that anyone can participate in.

2:00 – 3:00 PM

### Gregory Allicar Museum of Art Tour\*\* (Off Campus)

Step inside the Gregory Allicar Museum of Art With a growing and diverse collection of more than 5,000 works of art and dynamic programming, the Gregory Allicar Museum of Art is a cornerstone of Colorado State University's arts initiatives and a link to alumni, Fort Collins, and our region. The museum is dedicated to educational vitality, embracing all audiences, and to honoring a diversity of art making across time periods, geographies, and cultures. Unique to this tour is the opportunity to go inside the vault which is not open to the public!

2:00 – 3:30 PM

### Mystery of CSU Tour\*\* | Student Services Building

What are the mysteries of CSU's history? Join us as we learn the history of how CSU began. Tour inside some of the oldest buildings on campus and discover what our historic buildings have been home to over the years. Find out which buildings have ghost stories, myths and legends – maybe you have stories of your own to share. Learn some of the theories as to why CSU's oldest building burned down in 1870 and where the remains have been placed. Discover the mysteries that have attributed to CSU's history on this 1.5 hour tour.

Choose a session that most interests you:

3:00 – 5:00 PM

### Campus-Community Engagement: Panel and Discussion | LSC Ballroom D

This panel session includes campus and extension faculty who have worked on community engaged projects advancing CSU's land grant mission. Panelists will share their journey and process of co-creating community engaged projects using the lens of Principles of Community. Small roundtable discussions will provide opportunity for audience to brainstorm, share thoughts and design future collaborations with campus and field partners.

3:00 - 5:00 PM

### Learner Front Door Project Overview | LSC 312

Join in this conversation to learn more about this website/technology project designed to expand online learner and user access to our resources and offerings. This project will redesign the learner journey to create an industry-leading experience that opens the door through our websites to CSU resources in support of lifelong learning. (Two identical sessions are offered for scheduling convenience)

3:00 - 5:00 PM

### PRU: Cropping Systems | LSC 324

Updates from Agricultural Biology, soils testing and CropsCam introduction

3:00 - 5:00 PM

### PRU: Environmental Horticulture | LSC 322

The Horticulture PRU welcomes anyone doing programming in horticulture and Master Gardener coordination to our annual meeting. We'll be discussing multiple statewide topics, such as landscape water use, turf conversions, publications, volunteer management, and using the time to coordinate and plan for 2023 and beyond. If you have questions, please contact Tony Koski, Deryn Davidson, or Alison O'Connor.

4:30 – 6:00 PM  
6:00 PM banquet

### CCAA and CEAFCs Association Meetings and Dinner at ARDEC

CCAA and CEAFCs members meeting and banquet - [RSVP at this link](#)

**\*\* There is limited space available for these sessions and RSVP is required**

## THURSDAY, OCTOBER 27

**7:30 – 10:00 AM**

**Breakfast Buffet Available | LSC Ballroom C**

\*Extension Western Region team members will gather at breakfast for an informal meeting

**7:30 - 8:30 AM**

**Extension Joint Board Breakfast | LSC 312**

Annual Business Meeting of the Extension Association Officers and OEE Leadership

**Choose a session that most interests you:**

**8:30 – 10:30 AM**

**Everything You Wanted to Know About Water but Didn't Know Who to Ask | LSC Ballroom D**

Curious about the Colorado Water Center? Have any burning questions about H2O? Stop by the Water Center table during breakfast to chat with and meet the team! Those interested in attending are invited to send questions to the Water Center ahead of the session.

**8:30 – 10:30 AM**

**Communications Planning hosted by OEE MarComm | LSC 322**

Interested in increasing awareness, access and participation in programs? Learn the basics of communications and marketing planning, including knowing your audiences the tools and resources available.

**8:30 – 10:30 AM**

**PRU: Food Systems Connecting Extension, the Food System Institute, Food and Agriculture Policy, and the Expanded Rural Engagement Initiative | LSC 312**

Faculty, all OEE staff, and partners are invited to join this lively session focused on understanding relevant policy impacting food and agriculture at the federal and state level. We will then take a deeper dive into the Expanded Rural Engagement Initiative, and how the new Food and Agriculture Specialists can support and expand on the great work happening across the state.

**8:30 – 10:30 AM**

**PRU: 4-H | TILT 221**

The 4-H session is open to anyone interested. Agenda includes: Civil Rights Review with Eric Ishiwata; Mental Health professional development and youth opportunities; 4-H Work Teams; LGBTQ+ Inclusivity update and professional development opportunity.

**8:30 – 10:30 AM**

**PRU: Rural Health | Morgan Library 203**

Join this rural health session to strengthen our internal connection around this topic and identify collaboration opportunities, capacity building strategies, and partnerships across the state that can support our collective work in this area.

**8:30 – 10:30 AM**

**Learning Production Team | LSC 324**

Learning Production Team planning meeting

**11:00 AM – 12:30 PM**

**Lunch & Closing Session | LSC Ballroom CD**

Join us to close out the week and grab a to-go lunch. Take advantage of additional breakout sessions or optional tour of Spur this afternoon.

**Continued on next page**

\*\* There is limited space available for these sessions and RSVP is required

## THURSDAY (CONTINUED)

Choose a session that most interests you:

1:00 – 2:45 PM

**Promoting and Telling Your Story hosted by OEE MarComm | LSC Ballroom D**

Learn more about ways you can share the impact of your programs and services offered. Come prepared with an example you'd like to work on during the session.

1:00 – 2:45 PM

**OEE Finance & Human Resources 101 | LSC 312**

Join us for updates and overview of common questions related to finance and HR processes

1:00 – 2:45 PM

**PRU: Livestock and Range | LSC 322**

We will start off with a quick refresher of the Livestock and Range Team Strategy, followed by time for sharing session and program updates. We'll end with a quick brainstorm on where members would like the PRU to focus energy going forward

1:00 – 2:45 PM

**PRU: Community Development – Connecting Office of Engagement and Extension with CSU Engaged Centers and Collaborating Faculty | LSC 324**

Faculty, all OEE staff, and partners are invited to join this lively session focused on building connections between some of CSU's Engaged Centers and Colorado communities. Come ready to share and engage about what you do for CSU whether it is in the field, online, or in local Colorado communities.

1:00 – 2:45 PM

**PRU: Nutrition, Food Safety and Health | Smith Natural Resources 345**

The NFSH PRU will be discussing future programming and events in the Family and Consumer Science realm. We will also receive updates on current programs.

1:00 – 2:45 PM

**Enterprise Group | Morgan Library 203**

Planning meeting for OEE Enterprise team leads.

2:00 – 3:30 PM

**Mystery of CSU Tour\*\* | Student Services Building**

What are the mysteries of CSU's history? Join us as we learn the history of how CSU began. Tour inside some of the oldest buildings on campus and discover what our historic buildings have been home to over the years. Find out which buildings have ghost stories, myths and legends – maybe you have stories of your own to share. Learn some of the theories as to why CSU's oldest building burned down in 1870 and where the remains have been placed. Discover the mysteries that have attributed to CSU's history on this 1.5 hour tour.

3:00 – 5:00 PM

**PRU: Individual Family, Community, Well-being | Ballroom D**

IFCW PRU members will have the opportunity to tour the Prevention Research Center (PRC) and learn more about the work they are doing. We will also meet to discuss goals and issue canvases for the next year.

3:00 – 6:30 PM

**Tour of CSU Spur Campus\*\***

Meet at the Bustang stop at the corner of Plum & Meridian for transportation to Denver for a guided tour of the CSU Spur Campus. The bus will return to Fort Collins at approximately 6:30 PM.

4:00 – 6:00 PM

**Networking Event hosted by Collaborative of Engaged Center | Nick's Restaurant**

Meet Regional Economic Development Institute (REDI) engaged research staff and leaders of the Engaged Center Collaborative to learn what these centers and institutes can do for extension/engagement faculty. Event will take place at Nick's Restaurant & Bar (1100 South College Ave. , Fort Collins, CO 80524) on Thursday, October 27th from 4-6pm RSVP at <https://forms.office.com/r/xKw0F0hKs0>

## FRIDAY, OCTOBER 28

9:30 – 11:00 AM

**Tour of CSU Spur Campus\*\***

Join a guided tour of the CSU Spur Campus. Transportation to Denver on your own - suggested departure time 8:00 AM.
